THROUGHOUT THE COURSE

- Bradford offers complete guidance through the initial evaluation process and registration with CPA, exam registration and in obtaining the certification.
- Assistance will be provided in planning a study schedule. Tutors will also be available to discuss the progress personally.
- Quiz/Tests will be conducted in every session to make the session more interactive and to assess your understanding. These tests will cover many MCQs, supporting you in completing the test bank.
- Recordings of every live session will be shared with the students.
- Our tutors shall send weekly assignments to help the student maintain a firm grip over the subject.
- We will encourage the students to appear for all the mock exams, results of which will be reviewed by our trainer.
- Short notes prepared by the teacher will be shared that are useful for last minute revision.
- We strictly monitor the attendance of students and ensure reaching out to the absentees to motivate them to attend the classes.
- Course completion certificate from Bradford Learning Global, UK.
